

Solihull Local Plan  
Examination Hearings

Matter 8 – Improving accessibility and encouraging sustainable travel

Friday 28 January 2022 – 09.30  
Virtual session

AGENDA

Whether the approach towards improving accessibility and encouraging sustainable travel is justified, effective and consistent with national policy.

1. Policy P7

- Application of policy to development of different type, scale and location e.g. householder development, residential/non-residential, changes of use, rural/urban
- Justification for policy criteria
- Any other issues?
- Need for main modifications (including SMBC suggested additional wording to part 2)

2. Policy P8

- Justification for policy approach and criteria
- Clarity of policy wording
- Approach to Transport Assessments and Travel Plans
- Any other issues?
- Need for main modifications (including SMBC suggested additional wording to part 2)

3. Policy P8A

- Justification for part 2
- Clarity on implementation of part 2 (scale and type of development, location in relation to SPRINT/METRO corridors, scale of contributions)
- Relationship with CIL
- Need for main modifications (including SMBC suggested amended wording for part 2) and see minor modification 76 relating to Policies Map.
