

Warning: This information shows the priority and distance (miles) of the last child offered a place on national offer day. It does not mean that places will always be offered to children with a particular priority/distance, but gives you an indication of previous patterns. You can check the description of each priority by looking at the admission arrangements for each school.

How secondary school places were offered		September 2024 admissions		September 2023 admissions		September 2022 admissions	
School	Places Available 2024	Criteria	Distance in miles	Criteria	Distance in miles	Criteria	Distance in miles
