Children's Services

We are committed to providing the best service we can to our service users and their families. We want to provide you with excellent services; but, we understand things can go wrong. If you have had any problems with services we have provided, we would like you to let us know. We would also like to know, when you have received an excellent service.

Your complaints, compliments and comments are valuable to us as they give us a chance to learn, and most importantly, help us improve our services.

■ Complaints

Who can complain?

Anyone who uses our services. The parents / carer of a service user. An advocate acting on behalf of a child or young person.

Our definition of a complaint is:

- Dissatisfaction with the way we have delivered or have failed to deliver a service
- Dissatisfaction with the way we apply policies, decisions or procedures
- Not responding in a timely manner
- Impoliteness, rudeness, unfairness, bias or prejudice
- An inappropriate use of personal information

Details of the Children's Services Statutory Complaints Process can be found at the back of this leaflet.

■ Compliments

You may be so pleased with a service we have provided that you would like to tell us about it. Compliments are important to us, so that we can share best practice and help to improve our services. We register each compliment we receive, share your feedback and use your feedback to make further improvements.

■ Comments

We would like to know if there is any other feedback you wish to share. You may want to share your views with us, but do not want to raise a formal complaint or make a compliment. You may wish to comment about:

- Improvements we could make to our services
- Something we have changed or make suggestions about possible changes
